

**CH 101 -001
Spring 2005
Lecture/Exam Schedule**

Week		Date	Chapter	Week	Date	Chapter
					March 7	6
1	Wednesday	Jan. 5	1	10	March 9	7
	Friday	Jan. 7	1		March 11	7
	Monday	Jan. 10	1		March 14	7
2	Wednesday	Jan. 12	1	11	March 16	7
	Friday	Jan. 14	1		March 18	8
	Monday	Jan.17	no class		March 21	8*
3	Wednesday	Jan. 19	2	12	March 23	8
	Friday	Jan. 21	2		March 25	8
	Monday	Jan. 24	2		Mar 28-April 3	
4	Wednesday	Jan. 26	2	13	Spring Break	
	Friday	Jan. 28	3			
	Monday	Jan. 31	3	14	April 4	9
5	Wednesday	Feb. 2	3		April 6	9
	Friday	Feb. 4	3		April 8	9
	Monday	Feb. 7	4*		April 11	9
6	Wednesday	Feb. 9	4	15	April 13	9
	Friday	Feb. 11	4		April 15 no class	
	Monday	Feb. 14	4		April 18	10*
7	Wednesday	Feb. 16	4	16	April 20	10
	Friday	Feb. 18	5		April 22	10
	Monday	Feb. 21	5		April 25	10
8	Wednesday	Feb. 23	5	17	April 27	10
	Friday	Feb. 25	5		April 29	Review
	Monday	Feb. 28	6*			
9	Wednesday	March 2	6		* Hour Exams 5 - 6:20 PM	
	Friday	March 4	6		on Mondays	

FINAL EXAM Monday 2 May 8-10:30 AM

CHEMISTRY 101-001 Spring 2005 MWF 11-11:50 151 Shelby

I. INSTRUCTOR

Dr. Shane Street Email: sstreet@bama.ua.edu Phone: 8-5957
Office 143A Shelby Office Hours: MWF 10-11 or by appt.

II. OBJECTIVE

The objective of this course is to introduce students to the basic facts and principles of chemistry. Some of the topics included: chemical formulas, stoichiometry, atomic structure, chemical periodicity, molecular structure and bonding theories.

III. TEXT

The text is "Chemistry" by Raymond Chang, 8th ed. **READ THE BOOK.**

IV. LABORATORY MANUAL

The lab manual is "General Chemistry Laboratory Manual" by Petra A. M. van Koppen.

Chemistry is a "hands-on" science. The experiments have been designed to assist the student in learning fundamental chemical principles. The experiments will serve as an introduction to the basic laboratory operations and skills needed in the practice of chemistry. **Each student must purchase a lab manual and enroll in a lab section. No previous lab grades can be used.**

V. COURSE GRADES

<u>Exam 1</u>	<u>Exam 2</u>	<u>Exam 3</u>	<u>Exam 4</u>	<u>Homework</u>	<u>Quiz/Class Lab</u>	<u>Final</u>	<u>TOTAL</u>
---------------	---------------	---------------	---------------	-----------------	-----------------------	--------------	--------------

100	100	100	100	50	50	100	100	600
-----	-----	-----	-----	----	----	-----	-----	-----

(Drop lowest score)

A. Exams

You must bring your ACT card, driver's license, or other photographic identification to all exams in order to receive a grade. Students are strongly encouraged to take all regularly scheduled exams. However, should you miss one of these exams it will become your drop grade. If you miss a second exam and can provide a written, reasonable excuse, you may be permitted to use your score (calculated as a percent) on the final exam as a makeup score for the test you missed. **No make-up exams will be given. No programmable (or data storing) calculators, language translators, pagers, cell phones or similar electronic devices are allowed.**

B. Quizzes/Class participation

Electronic quizzes will be given in the lecture using the CPS response units. The response units may be purchased in the SUPE Store (in the Ferguson Center). You

must bring these to every class. Register online. Your grade will be based on the number of responses you give as a percentage of the number of quizzes given over the course of the semester. **No make-up quizzes will be given.**

C. Homework

Homework assignments will be submitted on the internet using WEBAssign. You must self-register at the site: webassign.net. The due dates and point values are listed on the website. More details to follow. Homework will be discussed during the Monday evening recitation session.

D. Grading Scale

A = 90 - 100

B = 80 - 89

C = 70 - 79

D = 60 - 69 "+" and "-" grades are given for the top and bottom third

F = < 60 of each letter grade, respectively.

VI. EXTRA HELP

READ THE BOOK.

Come to my office hours. I am there to answer any questions and clarify the material for you.

Learning Skills Center-- The Learning Skills Center is located in 124 Osband Hall and is very helpful. Tutoring is available here.

There is a website associated with the course. You have an access code pre-packaged with your text that allows you to log on and use the site. ChemSkill Builder is also included with your text.

VII. ATTENDANCE POLICY

The following sentence is quoted from the 2004-2006 Undergraduate Catalog: **"Students are expected to attend all classes for which they are registered"**. It is our invariable experience that those who regularly attend class and do the homework achieve better grades than those who do not.

Attendance in the lab is mandatory.

VIII. ACADEMIC MISCONDUCT

All acts of dishonesty in any work constitute academic misconduct. The Academic Misconduct Disciplinary Policy will be followed in the event of academic misconduct.

IX. DISABILITY ACCOMMODATIONS

To request disability accommodations, please contact the Office of Disability Services at 348-4285. After initial arrangements are made with that office, contact the professor.

X. IMPORTANT DATES

12 Jan Last day to register or add a course

2 Feb Last day to withdraw from the University (all classes) for 25% tuition charge

18 Feb Midterm grades due for freshmen

23 Feb Last day to withdraw from the University (all classes) for 50% tuition charge

24 Feb 100% tuition charge (no refund beginning this date)

16 Mar Last day to withdraw a course with a grade of “W”
