**Course Objective:** Upon completion of this course, the student will be able to identify what time period clothing is from. They will be familiar with fabrics, styles and details that are specific to each period and be able to communicate this using the proper terminology.

**Attendance:** Attendance is expected at all class meetings. Three absences will constitute one full drop of a letter grade of the final grade. Each additional absences will result in an additional 1/3 grade drop. Three tardies (5 minutes or more late) will equal one absence. Cell phones must be turned off during class. A ringing cell phone during class will result in a deduction of 5 points the first time, 10 the second, and so on. NO makeup exams or quizzes will be allowed. Do not ask (special circumstances can be worked with if I know IN ADVANCE)! Late assignments will be accepted with an automatic 10 point deduction per day that it is late.

**Academic Misconduct:** All acts of dishonesty in any work constitute academic misconduct. This includes, but is not limited to, cheating, plagiarism, fabrication of information, misrepresentations, and abetting any of the above. The Academic Misconduct Disciplinary Policy will be followed in any such case. This policy is outlined in the student affairs handbook, which can be obtained from the Student Life Office in the Ferguson Center.

**Disabilities:** To request disability accommodations, please contact Disabilities Services (348-4285). After initial arrangements are made with that office, contact your instructor.
